Louis A. Pensa Jr. Honored with 2025 Lifetime Achievement Award

The Lifetime Achievement Award is one of the most special honors presented by the New Jersey Warehouse & Movers Association (NJWMA). It recognizes an individual whose career has been defined by dedication, leadership, and lasting contributions to both the moving industry and the Association.

At the NJWMA's 56th Annual Convention at the Golden Nugget in Atlantic City, **Louis A. Pensa Jr. of A. Pensa Modern Movers** received the **2025 Lifetime Achievement Award**, honoring his decades of service, family legacy, and commitment to excellence.

Lou's connection to the moving industry runs deep. His father, Louis A. Pensa Sr., known to many as Jack, was one of the founding fathers of NJWMA, and the family business, A. Pensa Modern Movers, has been serving New Jersey families for over 100 years. From the start, it was truly a family operation, with generations of relatives working side by side to build something lasting.

Lou began working in the family business as a teenager, learning every aspect of moving, from driving and dispatching to sales and warehouse operations. His career reflects the values instilled by his family: hard work, integrity, and pride in every job. Under his leadership, A. Pensa Modern Movers has continued its reputation for quality service and community involvement, remaining a proud NJWMA member since 1969.

Beyond his work, Lou is a devoted husband to Jodi, proud father to Brittany and Alexander, and enjoys spending time with family and fishing along the Jersey Shore.

NJWMA is proud to recognize Louis A. Pensa Jr. for his lifelong commitment to the moving profession and for carrying on a family tradition that has shaped the industry for generations.

###

The New Jersey Warehouse & Movers Association (NJWMA) was established in 1969 to provide support, training, and advocacy for movers in the Garden State. Committed to consumer protection, NJWMA ensures that its members adhere to strict licensing requirements and a Code of Ethics. For more information, visit www.njmovers.com.
