Please review the following instructions before mailing your application. Return the application with the following documents:

Copy of Movers License, Certificate of Incorporation and NJ Business Registration. Annual Filing FEE: \$450.00
(\$375 if you are currently a NJWMA mover member in good standing) in addition to the \$85.00 application fee.

As long as the participant uses the NJMTB Copyrighted Tariff, filing service fees are due yearly, whether or not changes are made to the existing tariff. If your tariff is canceled, you must file a new tariff in a different format with the NJ Division of Consumers Affairs (DCA). You are prohibited from copying our format.

Upon receipt of your completed Power of Attorney Form, Certificate of NJ Business Registration, copy of your NJ mover's license and appropriate fee, NJMTB will assist you in filing your NJ rates into a proper tariff. Upon receipt of your copy of the tariff, review the information and advise any discrepancies immediately to the Tariff Office. We do not offer legal advice.

IMPORTANT: Improperly filled out or incomplete forms will be returned to you and will delay your membership in the Tariff Bureau. If you have any questions regarding the proper completion of the forms, call the Tariff Bureau Office for assistance. 732-341-3934. Please either print or type the forms. We are not liable for penalties caused by delays or unintentional acts or omissions.

We want the NJ Movers Tariff Bureau to send emails, including seminar information, promotional materials, and advertising, including material that may originate from an industry affiliate such as ATA, IAM or NJWMA.

NOTICE: This is an application for the Tariff Bureau; this is not an application for membership in the NJWMA, you are not required to use our tariff to obtain or file a NJ Public Mover's license; you can write your own tariff. If you join the Tariff Bureau, you are not allowed to use the NJWMA or Circle of Excellence logos unless you also apply for membership with NJWMA. If your membership in NJ Movers Tariff Bureau is discontinued for any reason, the copyrighted tariff will be cancelled and the DCA will be notified. You are prohibited from using our format to create a new tariff. We are required to notify NJ DCA if you cancel your filed tariff with NJMTB, therefore you must write your own tariff at that time and file it with the Division of Consumer Affairs.

Tariff filing fees can be paid by check or charged to a credit card <https://njmovers.com/payments/>, but you will be charged a 3% processing fee.
